

PLEASE STOP THESE UNWANTED PORNOGRAPHY POP UP ADS!!!!!! Since I've been on the computer for the past 15 minutes I've received 6 SIX! porno pop-ups from the same company (BigBoner.Biz). Disgusting! This must stop!!!!!! My 9 year old daughter is not allowed on the computer anymore because of these pop-ups! I can't trust the Internet - she can't look up homework info on the computer anymore - she can't e-mail anyone - she can't go to her favorite websites - all because of these repulsive pop-ups! Please stop this immediately!!!!

Thank you.
